### Mode and method of Examination:

The examination will be held through google form via online mode. In date sheet under each paper Google classroom code is mentioned. Students have to join the classroom of their respective subjects by giving these codes and a link of google form for every subject will be posted in the concerned classrooms as per the date sheet. The link of form will be available as per the time mentioned in the form and after the assigned time link will be closed for the further responses.

There will be 10 MCQ's for each credit of the paper which means for 4 credit paper the question paper will comprise of 40 MCQ's and the examination of practical and tutorials will be taken separately. All questions carry equal marks.

### Must read Instructions for students:

1. All the students have to download google classroom app from play store and join their respective classes by giving the codes available under every subject in date sheet.
2. A google form link of all the papers will be shared in the respective google classrooms as per the date sheet and that will be open for your responses upto the time allowed in the paper/link.
3. All students are directed to keep your Examination Roll no, Registration no., active Email id, and Contact no. ready while appearing in the examination.
4. Submit your paper before 10 minutes ( which will be provided extra from prescribed time for the submission of the paper)
5. Keep your mobile phone browsers signed in and updated (google chrome browser recommended), battery fully charged and only one tab/task active while taking the examination.
6. **Re-examination request of the candidates who remain absent or fail to submit will never be entertained.**
7. For updates keep streaming college telegram channel.<https://t.me/gdcpattan>
