## Student Notice 25-09-2021

All the ex-students of batch 2017 of this college are directed to collect a copy of college magazine "Noor 2020" and the college newsletter "Pattan" from the publication committee of the college from 25-9-2021 to 5-10-2021 after producing their college identity card to the convener publication committee in the college library. It is pertinent to mention here that college magazine showcases the writing talent of the student in the form of varied write-ups they contribute. Also, the college newsletter reflects the activities that the college has organized from time to time. Keeping a copy of both will serve as the great memory of the college and will give you aesthetic satisfaction in the long run.
